without any relationship
to Jesus Christ [than the
Book of Revelation]."

--Jacques Ellul,
Introduction Known for
his trenchant critique of
modernity and of those
Christians who celebrate
their captivity to it, Ellul
here cuts to the heart of
the theological intention
of the Book of
Revelation, and thereby
reveals the liberating

gospel in all its
offensiveness. Neither an
exhaustive commentary
nor a work of historical-
exegetical analysis,
Apocalypse is a
provocative,
independent
interpretation. Ellul seeks
to rescue Revelation from
the reassuring and
orthodox banality to
which commentators
often reduce it. The goal

is to perceive the totality
of the book in its
movement and structure.

"Architecture in
movement" is the key to
understanding
Revelation's puzzling but
simple message. This
edition also comes with a
new foreword by Jacob
Marques Rollison who
provides an essential aid
for guiding readers
