Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Documenting Danny Marianino's days as a metalhead from childhood into adulthood, Don't Ever Punch a Rockstar somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. Don't Ever Punch a Rockstar combine elements of Get in The Van, Emails from and Asshole and Shit My Dad Says all in one hot mess of a story. Praise for the book - "Danny Marianino's Never Punch A Rockstar is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH,

author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow & author of FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking "With Don't Ever Punch a Rock Star author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of Spinner "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard your grill. Way to K.O. rock star attitudes Danny Boy!" - John Joseph author of The Evolution of a Cro-Magnon and Meat is For Pussies

Cover subtitle: Things you shouldn't know.

[ FREE BONUS AUDIO included! ] Discover the real essence of biblical praise and worship in this first volume of the True Worship series by worship leader Jerry Kuzma. Topics include: biblical foundations for praise and worship, Hebrew worship is expressive, various scriptural ways to express our praise, passionate praise, how culture affects our worship, how you are created to worship, and why you will worship eternally--according to the Bible. Jerry and his wife Bella have been leading praise and worship for over 20 years, helping Bible believers to experience the heights of biblical praise and the depths of heart-felt worship. They specialize in messianic music and traditional Middle Eastern songs. Pick up your own copy, open it up, and begin to take your own personal worship time to new heights. FREE BONUS AUDIO LINK INCLUDED!

Ed Ward covers the first half of the history of rock & roll in this sweeping and definitive narrative--from the 1920s, when the music of rambling medicine shows mingled with the songs of vaudeville and minstrel acts to create the very early sounds of country and rhythm and blues, to the rise of the first independent record labels post-World War II, and concluding in December 1963, just as an immense change in the airwaves took hold and the Beatles prepared for their first American tour. The History of Rock & Roll, Volume 1 shines a light on the far corners of the genre to reveal the stories behind the hugely influential artists who changed the musical landscape forever. In this first volume of a two-part series, Ward shares his endless depth of knowledge and through engrossing storytelling hops seamlessly from Memphis to Chicago, Detroit, England, New York, and everywhere in between. He covers the trajectories of the big name acts like Elvis Presley, Buddy Holly, Chuck Berry, and Ray Charles, while also filling in gaps of knowledge and celebrating forgotten heroes such as the Burnette brothers, the "5" Royales, and Marion Keisker, Sam Phillips's assistant, who played an integral part in launching Elvis's career. For all music lovers and rock & roll fans, Ward spins story after story of some of the most unforgettable and groundbreaking moments in rock history, introducing us along the way to the musicians, DJs, record executives, and producers who were at the forefront of the genre and had a hand in creating the music we all know and love today.

At 368 pages, Beyond Salsa for Ensemble, Vol. 1 is the most ambitious of the 15 volume series. The course is designed for college and high school Latin music ensembles and working salsa bands seeking to add modern Cuban "timba" and "songo" material and techniques to their repertoires. The course begins with the basic salsa groove and then presents two modern Cuban grooves (one in 2-3 clave and one in 3-2 clave), with note-for-note transcriptions for piano, bass, bongo, timbales, congas, and drums - all explained in careful detail in a conversational style. The next part of the book teaches 36 rhythm breaks, or "efectos," that can be added to any Latin arrangement. Again, every stroke of every part is meticulously transcribed, with lead sheets also provided for more experienced players. Finally, the book contains a complete chart for performance of a popular Cuban hit by the popular group Los Que Son Son, led by Pupy Pedroso, the subject of several of the Beyond Salsa Piano books.
