Legion (Novel) - Warhammer 40k - Lexicanum

From the great Dan Abnett, this is a different side of the Horus Heresy, featuring the secretive and duplicitous Alpha Legion. Pick this up if you like covert ops, espionage, psykers and a look at the Space Marine Legions through the eyes of the regular Imperial Army of the 31st Millennium. Different from the gothic epic feel of the other Horus books, it reads more like a spy novel with a bit ...

Legion is for the most part a thriller, very much in the vein of early Frederick Forsyth. It's well structured, deftly written and filled with interesting and compelling characters. If Abnett has a weakness, its his fondness for deus ex machina (most of the early Gaunt's Ghosts novels) but here it truly plays to the novel's strength.

Legion Audiobook | Dan Abnett | Audible.co.uk

TL;DR: Dan Abnett is a godly writer who expresses Humanity Fuck Yeah! in the most epic way possible. Perhaps his only weakness is his marked preference for human vs human works. The number of his works that feature Xenos prominently can be counted with your hands. For those who are tired of Chaos, this can be a bad thing.

Legion is by far one of, if not, best books in the Horus Heresy saga that I have read. Dan Abnett is a truly talented writer who captures the grim and depressing lives of the lowest of human soldiers to the fear inducing and awe inducing persona of a Space Marine in the 40K universe with absolute perfection. This novel covers a range of ...

Dan Abnett was born in 1965 in Lancashire, Rochdale, in the UK and is currently living in Maidstone, Kent. As a very young child, he developed Perthes disease, a childhood hip disorder that made walking for him very difficult.

Book seven in the New York Times bestselling series A Great War is coming, and it will engulf the Imperium of Man. The Space Marines of the Alpha Legion, the last and most secretive of all the Astartes brotherhoods, arrive on a heathen world to support the Imperial Army in a pacification campaign against strange and uncanny forces. But what drives the Alpha Legion? Can they be trusted, and what side will they choose when the Heresy begins? Loyalties are put to the test, the cunning schemes of an alien intelligence are revealed, and the fate of mankind hangs in the balance.

The triumphant return of the Lost Legionnaires to 31st-century Earth may be extremely short-lived...especially if the Oversight Watch--under the orders of United Planets President Leland McCauley--has any say in the matter! United in name only, the planets will need a guiding hand to unify them once more. But before the Legionnaires can figure out a way to do that, they must first fight McCauley's forces miles underground!

From the best-selling creators of ANNIHILATION, Dan Abnett and Andy Lanning's legendary run on the 31st century heroes is now re-collected in a new graphic novel series, THE LEGION BY DAN ABNETT AND ANDY LANNING VOL. 1! After finding their way back to Earth after being stranded in a distant galaxy, the Legion of Super-Heroes, including young heroes like Live Wire, Cosmic Boy, Saturn Girl, Chameleon, XS, Brainiac 5.1, Apparition and more, are faced with protecting the United Planets from the worst threats in the universe. This rebooted 1990s team breathed a whole new life into the legendary Legion, guided by superstar creators-in-the making Abnett and Lanning. Collects LEGIONNAIRES #78-81, LEGION OF SUPER-HEROES #122-125 and LEGION OF SUPER-HEROES SECRET FILES #2.

Superboy joins the Legionnaires who protect the United Planets in the thirty-first century, but questions arise as to his real identity and mission.

This great value anthology incudes the following stories from some of Black Library's most loved authors: Meduson by Dan Abnett The Noose by David Annandale The Keys of Hel by John French Unforged & Unspoken by Guy Haley Immortal Duty by Nick Kyme The Either & The Seventh Serpent by Graham McNeill Deeds Endure by Gav Thorpe Grey Talon & The Hand Elect by Chris Wraight Driven almost to the brink of self-destruction at Isstvan V, the Iron Hands now seek vengeance for the murder of their primarch Ferrus Manus. Gathering survivors from the Raven Guard and the Salamanders aboard any vessels capable of warp travel, these Shattered Legions wage a new campaign of annihilation against the traitor forces across the galaxy ¶ a campaign masterminded by legendary warleader Shadrak Meduson. This Horus Heresy anthology contains ten short stories by authors including Dan Abnett, Chris Wraight, John French and many more. Also, in the novella The Seventh Serpent, Graham McNeill revisits the ragtag crew of the starship Sisyphueum as they are drawn into a war of subterfuge against the Alpha Legion.

Joined by superstar artist Olivier Coipel (Mighty Thor), the creative team introduces an uncertain and exciting future for its greatest heroes with gripping characterization, cosmic-level threats and epic sci-fi storytelling! Earth at the end of the 30th century. A super-modern age, and the pinnacle of human cultural endeavors. Then came the Blight. Who they are is irrelevant. What matters is what this highly advanced, techno-organic culture wants: the life energies of the worlds they come across. Upon infiltrating the United PlanetsŌ means of hyper-accelerated interstellar transportation, the Blight entwine Earth and destroy its forces within hours. Where life once flourished, it now deteriorates. And those who donŌt die meet a worse fate: they become of the Blight. That includes the Legion of Super-Heroes, the U.P.Ōs young champions. Unable to fend off the invaders, their once-great numbers now serve the Blight and hunt down the last resisting LegionnairesŌthe ones looking to find enough survivors and open one last Stargate to freedom. Earth, the United Planets, the Legion of Super-HeroesŒtheyŒre all damned. Collects LEGIONNAIRES #78-81, LEGION OF SUPER-HEROES #122-125 and LEGION OF SUPER-HEROES SECRET FILES #2.

The Legion of Superheroes finds itself stranded in a distant galaxy, on the home planet of the vicious alien race known as the Progeny. Can the Legion overcome the Progeny and still make their way back home to Earth?

Kage and the convict soldiers of the Thirteenth Legion, members of the Last Chancers penal battalion, embark on a deadly battle for survival and for redemption in the eyes of the immortal emperor. Original.

Book 14 in the much loved series, "The Horus Heresy: Primarchs" Legends abound of the glorious ¶ or infamous ¶ deeds of the Emperor's sons. Yet almost nothing is known of Alpharius, the most mysterious of them all, for the Lord of the Alpha Legion is unparalleled in the art of obfuscation. Such are his gifts of secrecy and deceit that even his rediscovery has remained an enigma ¶ until now. But when the tale comes from the serpent's mouth, where does the deception end and the truth begin?
