The classic Chinese novel: "Imagine a combination of picaresque novel, fairy tale, fabliau, Mickey Mouse, Davy Crockett, and Pilgrim's Progress" (The Nation). Probably the most popular book in the history of the Far East, this classic sixteenth-century novel is a combination of picaresque novel and folk epic that mixes satire, allegory, and history into a rollicking adventure. It is the story of the roguish Monkey and his encounters with major and minor spirits, gods, demigods, demons, ogres, monsters, and fairies. This translation, by the distinguished scholar Arthur Waley, is the first accurate English version; it makes available to the Western reader a faithful reproduction of the spirit and meaning of the original. "Mr. Waley has done a remarkable job with this translation." —Helena Kuo, The New York Times "The irreverent spirit and exuberant vitality of it portraiture . . . make it an entertainment to which Mr. Waley's witty translation has obviously contributed not a little." —The Times (London) "Told with immense gusto, and quite apart from its deeper meaning and wise proverbial sayings it is full of entertainment." —The Guardian

Anthony C. Yu's celebrated translation of The Journey to the West reinvigorated one of Chinese literature's most beloved classics for English-speaking audiences when it first appeared thirty years ago. Yu's abridgment of his four-volume translation, The Monkey and the Monk, finally distills the epic novel's most exciting and meaningful episodes without taking anything away from their true spirit. These fantastic episodes recount the adventures of Xuanzang, a seventh-century monk who became one of China's most illustrious religious heroes after traveling for sixteen years in search of Buddhist scriptures. Powerfully combining religious allegory with humor, fantasy, and satire, accounts of Xuanzang's journey were passed down for a millennium before culminating in the sixteenth century with The Journey to the West. Now, readers of The Monkey and the Monk can experience the full force of his lengthy quest as he travels to India with four animal disciples, most significant among them a guardian-monkey known as "the Great Sage, Equal to Heaven." Moreover, in its newly streamlined form, this acclaimed translation of a seminal work of world literature is sure to attract an entirely new following of students and fans. "A new translation of a major literary text which totally supersedes the best existing version. . . . It establishes beyond contention the position of The Journey to the West in world literature, while at the same time throwing open wide the doors to interpretive study on the part of the English audience."—Modern Language Notes, on the unabridged translation

Containing the first 50 chapters of China's best-loved work, in an edited, yet complete and wholly accurate translation for the Western reader. Volume 1 begins with Monkey's birth, his secret education in the ways of magic at the hands of the Patriarch, his dealings with the Cloud Emperor, the famous revolt in heaven, and the Great Sage's fall and punishment. Then, with a reprieve, Monkey joins the Tang Priest as his guide to India. Paired with the monster Pig and Friar Sand, the quartet embark on a quest at once dazzling and comic, with non-stop action.

The book, Monkey King, is a story of Sun Wukong (???), the mythical character from the Chinese classical novel Journey to the West (???). The books narrate early adventures of the ape king who later accompanied Tang Sanzang to fetch the Buddhist scripture from India. The current volume is the fourth book in Mandarin Chinese Reading series. The volume, made of about 600 characters, is suitable for the low intermediate to advanced level Chinese language learners. It includes both the Chinese text (simplified characters) and pinyin in the story form. This is a basic book (Level 1) to practice Chinese reading. Kindle Edition: https://www.amazon.com/dp/B07Z7PJQYQ The book has 10 chapters in the following order: ???: The Stone Ape is Borne ???: The New Found Cave ???: Fear of Death ???: The King Left the Cave ???: The Woodchopper ???: The Ape King Meets the Saint ???: The Ways to Immortal Life ???: The Angry Saint ???: Sun Wukong and Pine-tree ???: Sun Wukong Returns to the Cave Monkey King 2 (Book 2) Paperback: https://www.amazon.com/dp/1703849132 Kindle Edition: https://www.amazon.com/dp/B07ZTTMVJW

A classic of Chinese literature, this beloved folktale is part adventure story, part spiritual allegory—now reimagined by a National Book Award nominee Part spiritual pilgrimage, part historical epic, the folk novel Journey to the West, which came to be known as Monkey, is the most popular classic of Asian literature. Originally written in the sixteenth century, it is the story of the adventures of the rogue-trickster Monkey and his encounters with a bizarre cast of characters as he travels to India with the Buddhist pilgrim Tripitaka in search of sacred scriptures. Much more than a picaresque adventure novel, Monkey is a profound allegory of the struggle that must occur before spiritual transformation is possible. David Kherdian's masterful telling brings this classic of Chinese literature to life in a way that is true to the scope and depth of the original.

The Monkey King: A Classic Chinese Tale for Children is inspired by Chinese folktales and legends about Monkey, King of the Mountain of Flowers and Fruit, Great Sage Equal to Heaven. But his friends just call him Monkey! Hilariously mischievous and full of energy, Monkey has uniquely amazing magical powers. Long ago, the Jade Emperor, the ruler of the Heavens, was so unhappy that China was in great turmoil that he even considered destroying its people. The Goddess of Mercy, Guan Yin, suggested another way—find Lord Buddha's scriptures in India and bring them back to China—this would help the Chinese to become peaceful and kind. This Chinese children's story is about the beginnings of this epic journey, and how Monkey, Pigsy, and Sandy join this quest.

Probably the most famous book in Far Eastern history, this classic 16th-century novel is a mixture of picaresque novel and popular saga that mixes satire, allegory, and history in a choppy adventure.
