After the publication of the third edition of this book, new AISC Specification was released in 2010 that contains combined provisions for ASD and ARFD methods and formulas in non-dimensional format to be used both for the FPS and the SI units. This fourth edition is prepared after revising the original book in the light of the new Specification of AISC 2016. The book contains tables required for the 345 Grade Steel and BS sections. The author is highly thankful to all the engineers and students who have participated in the improvement of this book

## Read Book Punjabi Punjab Rang Css Pms

through their questions and queries. As before, the detailed design procedure of the steel structures is explained in a separate book titled "Steel Structures" which frequently refers to this book for the properties tables and the design aids. Suggestions for further improvement of the presentation will be highly appreciated and will be incorporated in the future editions.
