"Gracyk grapples with the ways that rock shapes--limits and expands--our notions of who we can be in the world. [He] sees rock as a mass art, open-ended and open to diverse (but not unlimited) interpretations. Recordings reach millions, drawing people together in communities of listeners who respond viscerally to its sound and intellectually to its messages. As an art form that proclaims its emotional authenticity and resistance to convention, rock music constitutes part of the cultural apparatus from which individuals mold personal and political identities. Going to the heart of this relationship between the music's role in its performers' and fans' self-construction, Gracyk probes questions of gender and appropriation. How can a feminist be a Stones fan or a straight man enjoy the Indigo Girls? Does borrowing music that carries a "racial identity" always add up to exploitation, a charge leveled at Paul Simon's Graceland? Rang[es] through forty years of rock history and offer[s] a trove of anecdotes"--Publisher description.

One of our most visceral and important memoirs on race in America, this is the story of Nathan McCall, who began life as a smart kid in a close, protective family in a black working-class neighborhood. Yet by the age of fifteen, McCall was packing a gun and embarking on a criminal career that five years later would land him in prison for armed robbery. In these pages, McCall chronicles his passage from the street to the prison yard—and, later, to the newsrooms of The Washington Post and ultimately to the faculty of Emory University. His story is at once devastating and inspiring, at once an indictment and an elegy. Makes Me Wanna Holler became an instant classic when it was first published in 1994 and it continues to bear witness to the great troubles—and the great hopes—of our nation. With a new afterword by the author

Want to Be. This book will show how God's perfect vision for you starts with a powerful promise. All those who trust in God "will be like a tree planted by the water that sends out its roots by the stream. It does not fear when heat comes; its leaves are always green. It has no worries in a year of drought and never fails to bear fruit" (Jeremiah 17:7-8). Ortberg urges you to recognize your brokenness, understand that God is the project manager, and follow His directions. The author first helps gauge your spiritual health and measure the gap between where you are now and where God intends you to be. Then he provides detailed tasks and exercises to help you live in the flow of the Spirit, circumventing real-world barriers—pain and sorrow, temptations, self-doubt, sin—to flourish even in a dark and broken world. As you start living in the flow, you will feel: — a deeper connection with God — a growing sense of joy — an honest recognition of your brokenness — less fear, more trust — a growing sense of being “rooted in love” — a deeper sense of purpose God invites you to join Him in crafting an abundant and joy-filled life. The Me I Want to Be shows you how to graciously accept His invitation.

In this five-session small group Bible study (DVD/digital video sold separately), John Ortberg reveals how there's a real you (the one God intended) hiding under the one you pretend to be. There is a God (it isn't you). Your life is a project (it isn't yours). The real you is waiting (it isn't hard). God's best version of you is waiting. But first, John Ortberg has two very important questions: Are you REALLY LIVING? (Full of joy and peace, in harmony with God, others and self; curious, willing to learn and experience opportunities to grow toward the best version of yourself) or Are you DECAYING? (Lacking mental and emotional energy, feeling uneasy and not very content, too self-focused) In his usual style, Ortberg has some intriguing answers to those questions in this study and will help you gauge your spiritual health and deal with real issues you face as a teen in today's world. Underneath the "me" you pretend to be (the one that acts cool while fearing you're not) and the "me" you fail to be (the one that doesn't always feel very excited about life) you will discover something remarkable... This is an excellent study for teen small groups and youth groups. Sessions include: Discovering the Spirit Renewing My Mind Redeeming My Time Deepening My Relationships Transforming My Experience Designed for use with the Me I Want to Be Teen Video Study (sold separately).

For parents who have been knocked to the floor by bad news and plastered to the ceiling by unwelcome surprises . . . here's a book to prop you up, scrape you down, and (believe it or not) help you laugh again. Bad news is bad enough. .But bad news about your children carries a triple whammy of pain, worry, and "where did we go wrong!" An accident, an illness, an unwholesome lifestyle, a devastating decision?the truth about these awful events can turn your life upside down, isolate you from family and friends, drain you of hope, and overpower you with stress. If that's your experience right now, this book can be a lifesaver. Crammed with practical guidance and sanity-saving laughter, it's a gift of hope to you from "the queen of encouragement," Barbara Johnson and other men and women who are "out there on the dance floor of life, doing the lost-parent shuffle." Drawing on her personal experience, her years of ministering to parents in pain, and the letters she has received from hundreds of hurting (and healing) parents, Barbara Johnson shares: what you can expect in the days ahead?and how to cope what to do with your shock, pain, and guilt how to find grace for your ongoing stress how to love your kids without trying to "fix 'em" how to find comfort and encouragement in scripture, friendship, and the knowledge that you're not alone how to locate a support group?or start one of your own how to pull together with your spouse?instead of letting your pain pull you apart She salts each chapter with wry observations, uplifting letters, sunny day-lifters, cartoons and just plain-funny one-liners?to life your spirits and bring you comfort. Whether you're stuck on the ceiling, groping through the tunnel, smoldering in the fire, or down for the count, this book can keep you moving and even keep you laughing through your tears as you travel the rocky path from "Why me, Lord?" to "Thank you, Lord."
