Winston S. Churchill (1874-1965) has been called by historians "the man of the twentieth century." Prime Minister of Great Britain (1940-1945), Churchill won the Nobel prize for literature in 1953. Editorial Reviews

One of the greatest historians writing today gives us a defining portrait of the incomparable Winston Churchill In his landmark biography of Winston Churchill, acclaimed historian John Keegan offers a very human portrait of one of the twentieth century's enduring symbols of heroic defiance. From Churchill's youth as a poor student to his leadership during World War II, Keegan reveals a man whose own idea of an English past—eloquently embodied in his speeches—allowed him to exhort a nation to unprecedented levels of sacrifice. The result is a uniquely discerning look at one of the most fascinating personalities in history. "The best military historian of our generation." –Tom Clancy

A stirring account of the life of Britain's greatest twentieth-century prime minister focuses on Churchill's career during World War II, telling his story from a military history point of view. 35,000 first printing.

Churchill's reputation as prime Minister during the Second

# Download File PDF Winston Churchill John Keegan

World War fluctuated according to the success and failures of his generals. Most of them were household names, and often heroes, during the war years. All of them were prey to the intolerance, interference, irascibility - and the inspiration - of the man who wanted to be both the general on the field and the presiding strategic genius. As his long-suffering Chief of the Imperial General Staff Sir Alan Brooke (later Lord Alanbrooke) remarked: 'Winston had ten ideas every day, only one of which was good, and he did not know which it was.' He sacked his warlords ruthlessly, yet in the end he came to be served by perhaps the greatest generals this country has ever produced. In this unique collection of essays by eminent historians, John Keegan has assembled a cast of twenty generals whose reputations were made (and some of them broken) by Churchill and the Second World War. They include Wavell, Ironside, Ritchie, Auchinleck, Montgomery, Alexander, Percival, Wingate, Slim and Carton de Wiart

Sa vision de l'Angleterre et de son histoire, l'éloquence incomparable de ses discours, sa pugnacité exemplaire ont permis à Winston Churchill d'élever toute une nation à la grandeur par des sacrifices sans précédent. Dans cette biographie de référence, le grand historien John Keegan brosse en deux cents pages lumineuses le portrait d'un des plus grands hommes politiques du XXe siècle, depuis ses exploits militaires de jeunesse sur la scène internationale (Indes, Egypte, Afrique du Sud) jusqu'à son rôle incontesté de grand stratège de la Seconde Guerre mondiale. Une plongée captivante dans la vie d'un homme exceptionnel.

John Keegan's fascination with Churchill goes back to when he was at school in WWII. Viewing him as war hero and then again in the early 1950s as Prime Minister, it is only in later years and wearing his historian's hat that Keegan has been

able to consider the life and role of Winston Churchill as a historian. Was Churchill as a great a wartime leader as he has hitherto been made out? Keegan discusses the view of the soldiers such as Alanbrooke, his wartime Chief of Staff, who thought Churchill better as a pragmatist than as a strategist, witness Gallipoli in WWI and myriad near-misses in WWII. He also considers Churchill the politician who surprisingly got it wrong so often, not least in the 1945 election. Keegan also writes vividly about Churchill's upbringing, his distant relationship with his syphilitic father, Lord Randolph Churchill and skittish American mother, Jenny Jerome. He identifies the ambitious streak in Churchill which emerged early on and led him into the army and the Boer War.

A masterly look at the value and limitations of intelligence in the conduct of war from the premier military historian of our time, John Keegan. Intelligence gathering is an immensely complicated and vulnerable endeavor. And it often fails. Until the invention of the telegraph and radio, information often traveled no faster than a horse could ride, yet intelligence helped defeat Napoleon. In the twentieth century, photo analysts didn't recognize Germany's V-2 rockets for what they were; on the other hand, intelligence helped lead to victory over the Japanese at Midway. In *Intelligence in War*, John Keegan illustrates that only when paired with force has military intelligence been an effective tool, as it may one day be in besting al-Qaeda.

"We are all worms. But I do believe I am a glow-worm."

The greatest military historian of our time gives a peerless account of America's most bloody, wrenching, and eternally fascinating war. In this magisterial history and national bestseller, John Keegan shares his original and perceptive insights into the psychology, ideology, demographics, and economics of the American Civil War. Illuminated by Keegan's knowledge of military history he provides a fascinating look at how command and the slow evolution of its strategic logic influenced the course of the war. Above all, The American Civil War gives an intriguing account of how the scope of the conflict combined with American geography to present a uniquely complex and challenging battle space. Irresistibly written and incisive in its analysis, this is an indispensable account of America's greatest conflict.

Renowned Churchill historian Sir Martin Gilbert examines Winston Churchill's War Leadership. *Continue to Pester, Nag and Bite* is the complete text of the 2004 Barbara Frum Historical Lecture, given at the University of Toronto. This annual lecture "on a subject of contemporary interest in historical perspective" was established in memory of Barbara Frum and will be broadcast on CBC Radio One's Ideas. "The problem is not winning the war, but persuading people to let you win it." —Winston Churchill *Continue To Pester, Nag And Bite* is a brilliant, in-depth look at Winston Churchill's leadership during the Second World War, written by the world's top authority on Churchill. By looking behind the public figure and wartime propaganda images, Gilbert reveals a very human, sensitive and often tormented man, who nevertheless found the strength to lead his nation forward from the darkest and most dangerous of times, towards the defeat of a tenacious enemy. Today's readers will be fascinated to compare Churchill's tactics and attitudes with those of modern-day leaders. By looking behind the public figure and wartime propaganda images, Gilbert reveals a very human, sensitive, and often tormented man, who nevertheless found the strength to lead his nation forward from the darkest and most dangerous of times, towards the defeat of a tenacious enemy.
